

# FREDERICK RAINER SURYANTO

0895636734177 | frederickrainer123@gmail.com | <https://www.linkedin.com/in/frederick-rainer>  
Malang City, East Java

A passionate Computer Science student from Brawijaya University, focusing on the intersection of UI/UX Design and Artificial Intelligence (AI). Adept at merging creative design thinking with a solid technical foundation to build interfaces that are not only intuitive but also intelligent. Highly proficient in the end-to-end design workflow using Figma, from initial wireframes to high-fidelity interactive prototypes. Eager to contribute to innovative projects by applying expertise in user-centered design and AI to create impactful solutions.

## Volunteer Experience

**KKN FILKOM UB 2025 - Malang, Indonesia** Jul 2025 - Aug 2025  
*Event Division*  
• An initiative to teach computational thinking to primary school children through Scratch programming

## Education Level

**Kanaan High School Tangerang - Tangerang, Indonesia** Jul 2020 - Jul 2023  
*Senior High School*

**Universitas Brawijaya - Tangerang, Indonesia**  
*Undergraduate Computer Science, 3.79/4.00*

## Organisational Experiences

**Unit Aktivitas Kerohanian Buddhis (UAKB) - Malang, Indonesia** Mar 2024 - Present  
*Media and Communication Staff*  
RAION is a Faculty-level Autonomous Organization at FILKOM UB for students ("Raioneers") interested in mobile and game app development, committed to achievement, responsibility, and a sense of family to create impactful products.

- Designed a prototype mobile app for room booking at Faculty of Computer Science at Brawijaya University to streamline event organization, providing students with fast and efficient administrative processes.
- Coordinated logistics and information for Raion Academy 2025, Raion Open Recruitment 2025, and Raion Hackjam 2025, ensuring all equipment was set up and functional for a smooth experience for both participants and organizers.

**Unit Aktivitas Kerohanian Buddhis (UAKB) - Malang, Indonesia** Mar 2024 - Feb 2025  
*Media and Communication Staff*  
UAKB UB serves as the primary platform for Buddhist students at Brawijaya University to engage in recreational activities, socialize, and self develop in Dhamma.

- responsible for all publications and information related to UAKB on social media, serving as the gateway for both internal and external communication of UAKB.
